How We Will Calculate Your Balance: We will use a balance computation method called daily balance. See your account Agreement for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your account Agreement.

Share Secured: The Annual Percentage Rate (APR) for Share Secured advances will be the dividend rate being paid on shares (Index) on the date of the advance, plus a Margin of 3.00 %. The APR is subject to change on the day the dividend rate being paid on Shares changes to reflect the change in the Index, but will not change prior to a 45 day notice of the change in terms. The APR will never be greater than 18.00% or the maximum rate allowed by law, whichever is less. Any increase in the APR will result in a higher payment.

Variable Rate Cashline: The Annual Percentage Rate (APR) for new and existing balances will be the Prime Rate as published in The Wall Street Journal (Index), rounded to the next higher 0.25%, plus a Margin of 7.00 %. We will use the most recent Index value available to us as of the last of the month prior to any annual percentage rate adjustment. The APR will change quarterly on the first day of January, April, July, and October to reflect any change in the Index. The APR will never be greater than 18.00% or the maximum rate allowed by law, whichever is less. Any increase in the APR will result in a higher payment.

Variable Rate Redi Reserve: The Annual Percentage Rate (APR) for new and existing balances will be the Prime Rate as published in The Wall Street Journal (Index), rounded to the next higher 0.25%, plus a Margin of 7.00 %. We will use the most recent Index value available to us as of the last of the month prior to any annual percentage rate adjustment. The APR will change quarterly on the first day of January, April, July, and October to reflect any change in the Index. The APR will never be greater than 18.00% or the maximum rate allowed by law, whichever is less. Any increase in the APR will result in a higher payment.

Late Charge: If you are 10 days or more late in making a payment on any advance, you will need to pay a late charge of \$25.00.

Minimum Payment: The minimum required payment is based on the outstanding balance as shown below.
